Weber County, Utah

Dear Mr. Baker:

The Utah State Historic Preservation Office received your request for our comment on the above-referenced undertaking on November 3, 2014. UTSHPO appreciates the diligence to complete a literature review, but there is not sufficient information to concur with DOGM's determinations. The site within the parcel was recorded in 1981 by an avocational archaeologist, and no formal survey was completed. We request more information from DOGM, likely requiring a survey.

If you have questions, please contact me at 801-245-7263 or Lori Hunsaker at 801-245-7241
